WBMT Corona virus statement

21 February 2020

Dear WBMT Member Societies,

At the WBMT we have prepared this information summary for our members. We have posted it on our public WBMT website but wanted to share it with all of you to post or distribute as you choose.

As we learn more information, we may modify these recommendations; and as you learn more, we should all feel free to share any new findings.

Thanks for your consideration,

Daniel Weisdorf MD
President, Worldwide Network for Blood and Marrow Transplantation
